**1967 - 2017** 50 YEARS

## **University of Salford** **P@RE Implementation-Midwifery**

Anna Sherliker Lecturer Midwifery, Project Lead P@RE implementation.

# Midwifery Programmes

---

September 2016 intake:

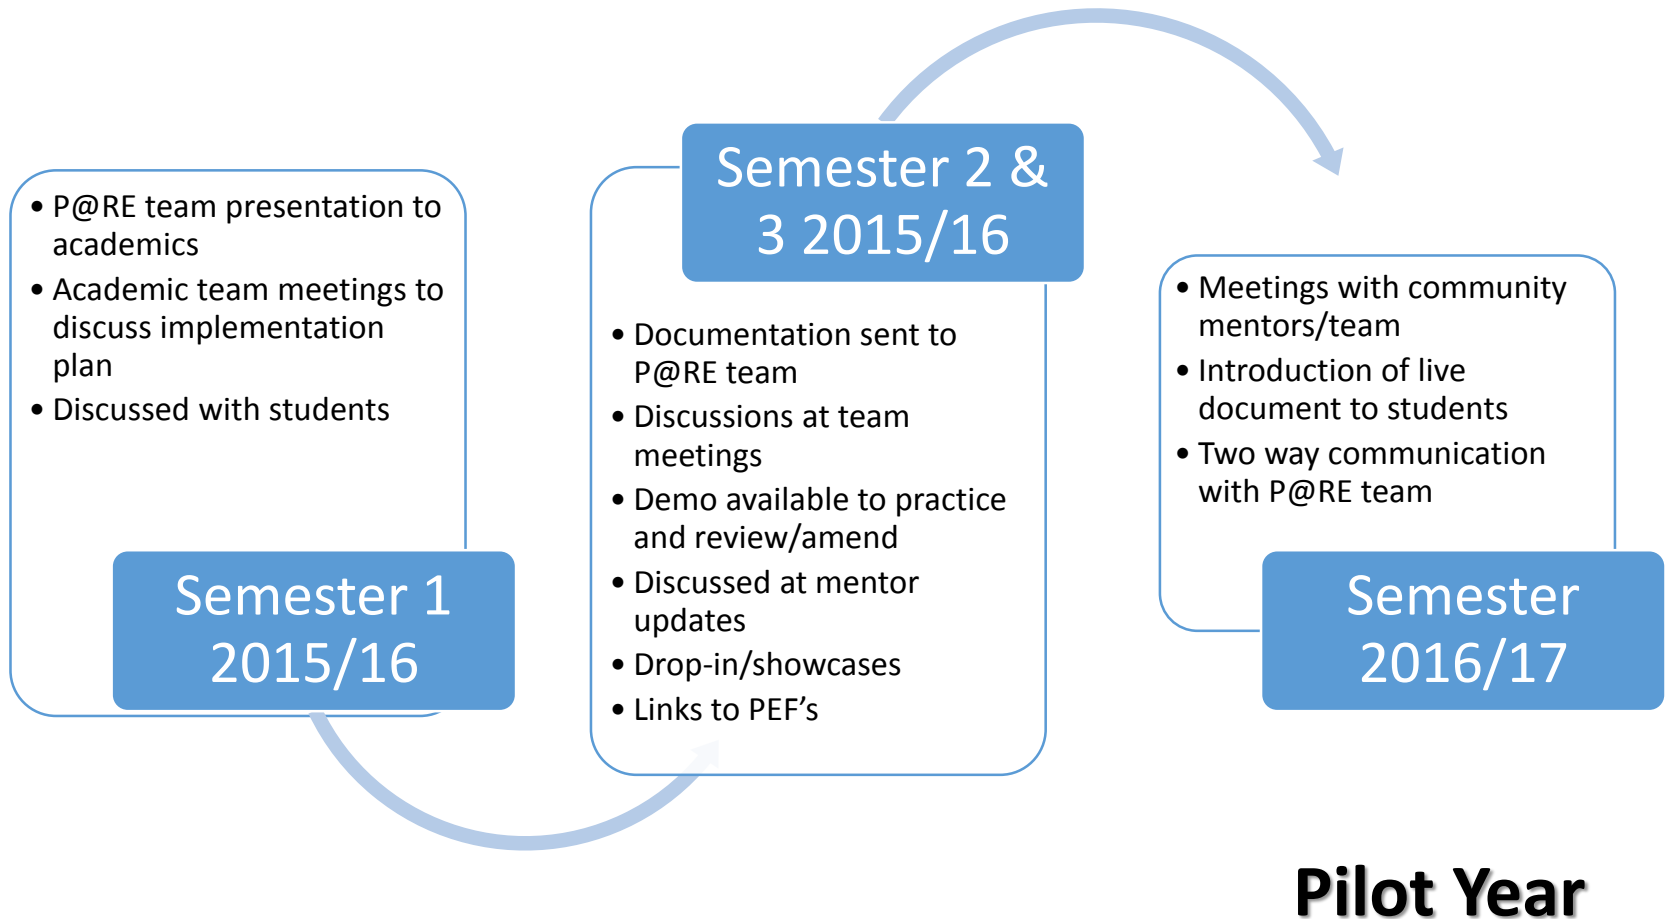

- BSc (Hons) Midwifery (156 weeks) 48 students
- BSc (Hons) Midwifery (85 weeks) 20 students

# Midwifery Programme

---

- Existing clinical documentation developed in 2011 fulfilling NMC Standards for pre-registration Midwifery Education:
- Competencies and Essential skills clusters
- Grading of clinical practice
- EU Statutory requirements
- Timesheets
- Evaluation documents already active
- 7 trusts

# Timeline of implementation

# Implementation

---

- Student Workshops/Sessions prior to clinical placement
- All community teams accessed and P@RE discussed by ULL
- Follow on clinical areas identified by ULL and P@RE discussed.
- Mentor and student guidance
- **Mentor allocation – PEF/Clinical Co-ordinator**

# 9 months in.....

- Pilot year
- Trouble shooting role with on-going surveillance
- Communication-P@RE, academic colleagues and trusts
- Amendment's following feedback from students, PEF's and mentors.
- High anxiety

## ANXIETY GIRL!

able to jump to the worst conclusion in a single bound!

# Advantages

---

- Accessibility
- Can't lose it
- Fraud
- Transparency-decision making
- Fitness for Professional Practice evidence
- Constant communication platform
- Robust evidence of hours for NMC
- Digital progress
- Cost effective
- Documentation adapted easily.

# Challenges

---

- Engagement of staff (academic and clinical)
- Assimilation by students
- Completion of documentation on time/respect of mentor role
- All clinical issues laid at P@RE door
- Access (Trust IT infrastructure) / ‘cyber-attack’, community/spoke placements.
- Staff Training

# Further Developments

---

- Temporary Mentor Access
- Other HCP access

- Send notification when discussion notes used.

**And finally.....**
